Re: Budget Brief - 2018-2019

The attached information is your packet of materials for the 2018-2019 Budget. The Council will be voting on the Final Budget and Mill Levy at the September 4, 2018 Regular City Council Meeting. This "Budget Brief" contains a summary of the Administrative, Department Heads & Mayor's Office work over the last several months.

The proposed budget maintains the current City levy of \$0.318 plus the Airport Authority Levy of \$.0350, for a total Levy of \$0.3530 per \$100 of property value.

VALUATION DETERMINATION FACTORS:

The Mill Levy for the upcoming budget year beginning October 1st is calculated using an Actual Valuation factor of \$492 Million. That is a \$26M increase from last fiscal year. Mill Levies are based per \$100 in a property's value. To determine the property tax paid by a citizen that owns a house that is assessed at \$200,000 you would divide the \$200,000 by \$100 giving you \$2,000. Then you would take the \$2,000 times the mill levy of \$0.353 giving you a property tax payment to the City and Airport Authority of \$706.00.

FULL-TIME EMPLOYEE COUNTS:

The current number of FTE's for the City of Seward remains the same as last year, with 56 FTEs. City Administration anticipates this will be the first year in which all of the FTE positions will be filled, including the Police Officer position added in 2016-2017. Additionally the Finance Director/Treasurer and City Engineer positions will be filled for the first time.

RESTRICTED BUDGET AUTHORITY:

The 2018-2019 budget includes the 2.5% allowable increase in restricted funds. In accordance with State Law, and at the recommendation of the State Auditor's Office, Administration is recommending that the Council authorize an additional 1% in restricted budget authority to provide a buffer against the possibility of future financial shortfalls. The additional 1% does not increase the property tax levy unless the Council authorizes its' use. Historically, the Council has authorized the additional 1%.

TOTAL LEVY LIMIT:

Cities of the First Class are limited to a maximum levy of \$0.45 per \$100 of property valuation, with an additional \$0.05 cents to fund Interlocal agreements. Property tax levies for bonds are not included in this limit. The levy authority granted to the Airport Authority affects this levy limit. At \$0.35 mill levy, the City of Seward is well below the maximum mill levy provided by the State of Nebraska. According to the Nebraska Department of Revenue Property Assessment Division 2017 Annual Report, Seward had the 7th lowest total City tax rate of the 30 Nebraska first class cities.

SUMMARY:

The Mayor and City Administration propose a budget which holds steady on cash reserves currently held by the City of Seward's general fund. The 2018-2019 fiscal year budget requests no changes in the property tax levy, sales tax rate, electrical utility rate, and franchise fees on utilities. No cash transfers from utility funds or debt service funds are recommended. Administration will continue to work to establish cash reserves goals and will continue to fine tune the budget process in upcoming fiscal years to anticipate capital projects as the items are defined by the State Auditor. We will continue to look at ways to make improvements to the budget and City operations, in order to make sure the City of Seward maintains a fiscally responsible budget and the necessary cash reserves to meet our current and future obligations while being able to make the improvements to our infrastructure that are needed and to handle emergencies when they arise.
