C. If the additional cost associated with industrial general service wastes are not recovered by the large general service rate charges or above surcharges, the City shall have the option to review the effect any user (all classifications) has on the wastewater system and establish adequate charges, if necessary, for the excessive amounts of biochemical oxygen demand, suspended solids or other applicable pollutants.

Section 2. Repeal. All ordinances or provision or portions of ordinances in conflict here with are hereby repealed.

Section 3. When operative. This ordinance shall take effect and be in full force from and after its passage, approval and publication in pamphlet form as required by law.
