ASSISTANT REPORT

The newsletter which are now being printed by Seward Independent look fantastic. We have also received \$800 for new coffee cups. The Aging Partner County Monitor's report was good. The air-gap cannot be put in the food prep sink as the state has required. A new possibly is to put a food prep sink on the wall near the ice machine. The plumbers are checking into this possibility. We had a very good potato bake with 215 in attendance. Numbers are up for meals and exercise classes. We are also having more rentals. Our Halloween Party will be October 31 at 1:00 following an enchilada dinner. Flu shot clinic date is Friday, October 11 at 2:30.
